

NEXT TIME...MAKE IT A KIT!

Swiger Coil Systems offers everything you need for your winding needs including:

- Coils
- Electrical Insulation Tapes
- Clips
- Lead Wire
- RTD's
- Wedges
- Felt Blocking
- Surge Rope
- Slot Liner
- Fillers
- Tie Cord
- Sleeving

Advantages:

- *One Stop Shopping* – Coils and winding materials arrive at the same time, from the same supplier.
- *Reduced Cost* – Using combined purchasing power, customized kits cost less than the materials would normally cost at list price.
- *Reduce Inventory* – Swiger Coil provides exactly the right amount of materials to do the winding.
- *Eliminates Prep Time* – All components are pre-cut using our automated machinery to save you and your employees valuable time.
