Subject: 2008 Service Recognition Award Letter

Dear Mr. Lee:

Beginning in 2008 the San Francisco Bay Area Rapid Transit District ("District") will annually select, recognize, and honor a deserving company who has provided an outstanding level of service to the District in the Category of Service Recognition.

Today, the District hereby recognizes with distinct pleasure that your company is the recipient of the District's first Service Recognition Award. Swiger Coil Systems, Inc. has consistently provided commodity parts and equipment to the District's Procurement and Rolling Stock & Shops Departments during the past year in an expeditious manner. Because of your commitment to the District, the Buyers in the Purchasing Division are able to obtain the required commodities, and the Shop mechanics and technicians are able to repair BART trains for revenue service.

Congratulations to Swiger Coil Systems, Inc. for a job well done!

Sincerely,

Richard Wiczorek
Manager of Procurement

Tamar Allen
